Class Supply List

DESIGNS:

You will need to purchase 2 design sets from Sadia Andrews for the class; <http://www.sadiasews.com/> . Exotic Butterflies part 1, and Jacobean Symphony. I have arranged the designs we will be using so they will sew in the hoop in less hoopings so you do not have to have the designs loaded on your machine, I will have it for you on a USB stick at the class. If your machine requires another file type other than .pes, or your machine can not use a USB stick, please have a way to convert and get the design to your machine at the class.

Bring the following to the first class:

****** I suggest that you pre-wash all of your fabric and press it before you cut it into the blocks ******

Your background fabric cut into twelve 14 ½" blocks.

A six inch strip of fabric you are planning on using for the Appliqué butterflies.

Quilt Magic cut into twelve 14" squares.

Sheer Magic cut into twelve 14" squares.

Hoop Magic Stabilizer. Enough for about 10 hoopings.

Embroidery Threads with a selection of colors so you can do some sample stitching.

Bobbins, and appliqué scissors.

Marking pens or chalk and a 24" ruler. 8 ½" wide if you have one.

Your embroidery machine with your large hoop. Don't forget your power cord.

A steam Iron, pressing sheet and ironing board if you have one you can bring.

Materials:

FABRIC:

- 2 Yards X 45" background color of quilt blocks.
 - 1 yard X 45" fabric for the sashing.
 - 1 yard X 45" fabric for the borders and binding.
 - 1 ½ yards for the quilt backing fabric.
 - ¼ yard X 45" nylon organza for butterfly appliqué.
 - ¼ yard fabric for butterfly appliqué.
-
- 2 packages of 1 yard X 60" *Quilt Magic* light weight fusible batting.
