### PROFESSIONAL QUALITY IRONING

Imagine an iron that doesn't spit, that produces continuous volumes of steam with digital temperature accuracy, and removes wrinkles like a professional iron. That's the new V100.

### LOVE YOUR IRON(ING)

With its patented two heating element design, the V100 is guaranteed to be the one iron that won't let you down. For sewers and quilters, the Steam Ready feature means the V100 will be ready to work when you are.

**Smart. Professional. Reliable. Since 1955.**
